

Elkhart

# 100CL Student Clarinet

Elkhart by Conn Selmer Europe 100CL Student Clarinet - ABS body, .583" bore, straight tone holes, silver-plated keys, Bb, moulded mouthpiece with a soft backpack-style case.

## Features

This Elkhart 100CL clarinet offers a well-built instrument at a very competitive price, suitable for schools, wind bands and music education services. The easy to play ABS / Ebonite composite body has a wood-grain finish and offers a rugged and long-lasting instrument, which provides a warm and full tone often associated with more expensive Grenadilla clarinets.
