

Elkhart

100FHR Student Flugelhorn

Elkhart by Conn Selmer Europe 100FHR Student Flugelhorn - Bb, rose brass bell, in a clear lacquer finish with a backpack-style case.

Features

The build quality and price of the 100FHR makes it an appealing Flugelhorn suited for schools, music education services and brass bands as it has been designed to suit entry-level players specifically.

The Elkhart 100FHR student flugelhorn features a third slide tuning trigger, which allows for adjustment to the intonation on the lower notes. This is a feature that was historically found only on professional level instruments.

What is more, the 100FHR has a warm smooth flugel tone largely due to its rose-brass bell, which also gives it a distinct and attractive appearance in a lacquer finish.
