100TB Student Tenor Trombone

Elkhart by Conn Selmer Europe 100TB Student Tenor Trombone - Bb, medium bore, yellow brass in a clear lacquer finish with a backpack-style case.

Features

The build quality and price of the 100TB makes it a popular trombone with schools, music education services, and brass bands as it has been designed to suit entry-level players specifically. Crafted from traditional yellow brass, in a clear lacquer finish, it features an 8" bell which affords for excellent projection due to the correct amount of air resistance for the player's ability.

Moreover, its slide has been carefully lapped to ensure smooth action and is made from durable cupronickel. This reliable hard alloy resists corrosion and will prolong the instrument's life even further. The 100TB'S intonation is accurate, allowing students to concentrate on mastering their technique and developing their musicality ensuring an enjoyable experience.
