

Elkhart

100TSBK Student Tenor Saxophone

Elkhart by Conn Selmer Europe 100TSBK Student Tenor Saxophone - high F# with articulated C#, in a black lacquer finish with a backpack-style case.

Features

Renowned amongst music teachers and music education services, the 100TSBK is a great quality student saxophone perfect for the budget-conscious beginner student or parent. It offers a quality and robust construction, with excellent tone & projection often found in more professional-level instruments. Ergonomic with balanced keywork, ensuring that it is reliable for years to come, all the keys have been rib-mounted.

Crafted from yellow brass it has the perfect balance of brightness and sonority, without getting too harsh.

Not only does this add strength to the keywork, but it has the added benefit of improving the resonance and projection. The Elkhart 100TSBK is finished in a beautiful black lacquer, making it the benchmark for entry-level tenor saxophones.
