200PKT Student Pocket Trumpet

Elkhart by Conn Selmer Europe 200PKT Pocket Trumpet - .462" bore, standard size 120mm bell, 1st slide thumb ring, stainless steel pistons, clear lacquer, mouthpiece, with a foam backpack-style case.

Features

The Elkhart 200PKT Bb Pocket Trumpet is an enjoyable instrument that is accessible to all, which makes it perfect for beginner students, schools and music education services.

Because of its compact and balanced design, it is useful when considering the physicality of smaller or younger students, making the trumpet available to those who could not manage a full-length trumpet. Thanks to its compact size, the 200PKT is also ideal for travelling, musicians, or for those wanting to practice on holiday.

The 200PKT is essentially a full-size trumpet that has been double wrapped creating a very balanced centre of gravity.
