

Elkhart

## 200TH Intermediate Tenor Horn

Elkhart by Conn Selmer Europe 200TH Intermediate Tenor Horn - Eb, pro - high-grade, British brass-band configuration, nickel-silver slides, yellow brass in a clear lacquer finish with a backpack style case.

### Features

The build quality and price of the 200TH make it a popular tenor horn with schools, music education services, and brass bands as it has been designed to suit both intermediate and advanced-level players, who are looking to upgrade their instrument. Crafted from traditional yellow brass, in a clear lacquer finish, it is a reliable Student instrument that offers an excellent tone for those mastering their technique and developing their musicality ensuring an enjoyable experience.

This gives the horn a mellow tone but offers the correct resistance to give a musical and expressive performance of whatever piece the performer plays. The slightly more compact design makes the instrument easy and comfortable to hold.
