

## CONCERT SERIES

snare drums

Often Imitated, never duplicated, Ludwig snare drums have set an undeniable benchmark for quality and versatility since 1911. Ludwig snare drums are the most toured and recorded snare drums in the world. With this tradition of excellence Ludwig presents the all new Concert Series.

Offered in 5x14 and 6.5x14 in both Maple and Raw Copper, the Concert Series delivers incredible tonal response and versatility for all applications.

Maple snare drums are available in Natural Maple, Charcoal, Mahogany, and a durable Black Cortex.

The P89 Concert Strainer offers a smooth single throw for its ultra-responsive, three snare system. Coated cable, spiral steel wire, uncoated cable each with two points of adjustment give the player the control that every conductor requires.
