

PRO SERIES drum thrones

The Ludwig Pro series drum throne provides superior comfort and stability while seated behind the beat. It features a tripod base with spindle height adjustment and high-density foam tops finished in black vinyl with embroidered Ludwig Script logo. The seat's thick, high-density foam reduces stress on the legs and back for comfort during longer performances. A locking spindle adjustment makes

for easy setup with a minimum height at 18" and maximum at 25".
Available in both Round and Saddle style tops.
