

BREAKBEATS

For more than a decade, Ludwig Breakbeats by Questlove has been the go-to kit for drummers who want great Ludwig tone in a compact footprint. The perfect kit for cramped stages, tight rehearsal spaces, the micro studio, and everywhere the groove needs to travel. Breakbeats earned a reputation the old-fashioned way: by showing up, sounding great, and making gigs easier.

Now, after 10+ years of fan-fueled momentum, Breakbeats is back with a refresh that keeps everything players love and upgrades what matters most.
