Overview

- The fully redesigned C190SL229 is one of five models in the Bach C190 Series, built to meet the technical demands of today's players while delivering Bach's signature rich, resonant tone.
- Developed with **Bach Artist Michael Sachs**, Principal Trumpet of The Cleveland Orchestra, the C190SL229 delivers a rich core that will fill even the largest concert halls.

Sound Profile

- Features a wide wrap, wide Z brace construction, and a standard weight #229 bell.
- Produces the broadest, warmest, and fullest orchestral sound in the Bach C trumpet portfolio.
- Ideal for players seeking a broad dynamic range, exceptional response, and the unmistakable classic 'Elkhart Bach' C trumpet sound.
