NEW

C190SL238VF

Professional Trumpet

SCAN FOR MORE INFO

Overview

- The all-new C190SL238VF is one of five models in the new Bach C190 Series, built to meet the technical demands of today's players while delivering Bach's signature rich, resonant tone.
- Developed with international soloist and **Bach Artist Tine Thing Helseth**.
- Combines Vincent Bach's largest C trumpet bell design with the new Bach CLV bore size to create a beautiful, efficient, and versatile instrument.

Sound Profile

- Built with a narrow wrap, narrow Z-brace construction, and a lighter Mt. Vernon-weight #238 bell, providing quick response and ease of play.
- Delivers a broader and warmer sound ideal for chamber music and solo performances.
- The C190SL238VF has a Vindabona bore main tuning slide, with a .459" medium-large bore top leg and crook and a .462" large bore bottom leg, which contributes to the trumpet's rich, beautiful sound.
