GIG SERIES

HI-HAT STAND - LG16HH

Designed for drummers on the move, the Ludwig Gig Series Hi-Hat Stand delivers performance-grade features in a compact, medium-weight form. Whether you're tight on space or loading in and out of small venues, this stand offers the reliability and response you need—without the excess bulk.

Built for travel, dialed for performance—the Gig Series Hi-Hat Stand keeps things light without compromising strength.

Key Features:

Swivel Legs for easy pedal placement and tight setups

Adjustable Footboard Tension or a tailored playing feel

Tri-Clamp Tube Joint for rock-solid stability

Classic Wing-Nuts for quick, comfortable adjustments

GIG SERIES

BOOM CYMBAL STAND - LG36BS

For drummers who demand versatility without the added weight, the Ludwig Gig Series Boom Cymbal Stand delivers. With a compact frame and a dual-tilter boom arm, this stand offers the reach and control needed for any setup—whether tight in the corner or stretched across a stage.

Designed to go anywhere and handle anything, the Gig Series Boom Stand is your all-purpose solution for smart, stable cymbal placement.

Key Features:

Dual-Tilter Boom Arm
for total cymbal
positioning flexibility

Aerodyne Cymbal Tilter
for smooth, secure angle
adjustments

Tri-Clamp Tube Joint
for rugged, no-slip
performance

Classic Wing-Nuts for
fast, reliable setup

GIG SERIES

CYMBAL STAND - LG26CS

Streamlined for smaller stages and tight setups, the Ludwig Gig Series Straight Cymbal Stand offers pro-level stability without the extra weight. It's built to move fast and play hard—perfect for rehearsals, club dates, and compact studio kits.

Light on bulk, heavy on performance—the Gig Series Straight Stand keeps your setup clean and your cymbals locked in.

Key Features:

Aerodyne Cymbal Tilter
for smooth, precise
positioning

Tri-Clamp Tube Joint
for dependable, no-slip
height adjustment

Classic Wing-Nuts
for fast, confident setup

GIG SERIES

SNARE STAND - LG22SS

The Ludwig Gig Series Snare Stand combines smart design with lightweight portability. Ideal for tight stages and grab-and-go setups, it delivers the durability you expect with the features you need for precise angles and reliable performance. Also, available in a "Tall" model for clearing bigger bass drums.

From clubs to studios, the Gig Series Snare Stand is your no-fuss, all-function solution for getting the job done—gig after gig.

Key Features:

Aerodyne Basket Tilter
for smooth, secure
angle adjustment

Tri-Clamp Tube Joint
for maximum stability
and even tube clamping

Classic Wing-Nuts
for fast, confident setup

GIG SERIES

TALL SNARE STAND - LG22TSS

The Ludwig Gig Series Snare Stand combines smart design with lightweight portability. Ideal for tight stages and grab-and-go setups, it delivers the durability you expect with the features you need for precise angles and reliable performance. This "Tall" model has a maximum height of 26" designed to clear larger diameter bass drums and accommodate taller setups.

From clubs to studios, the Gig Series Snare Stand is your no-fuss, all-function solution for getting the job done—gig after gig.

Key Features:

Aerodyne Basket Tilter
for smooth, secure
angle adjustment

Tri-Clamp Tube Joint
for maximum stability
and even tube clamping

Classic Wing-Nuts
for fast, confident setup

GIG SERIES

DOUBLE TOM STAND - LG441TS

Built for compact power and clean setups, the Ludwig Gig Series Double Tom Stand brings rock-solid support to your rack toms without the excess bulk. Outfitted with dual 12mm L-arms, it's ready to hold your configuration steady—whether on stage or in the studio.

Stable, streamlined, and easy to transport—the Gig Series Double Tom Stand keeps your kit locked in and ready to play.

Key Features:

12mm L-Arms for universal mounting and secure positioning

Tri-Clamp Tube Joint for firm, slip-free height adjustment

Classic Wing-Nuts for fast, confident setup and teardown
