

# LOB711S Dynamique Professional Oboe

The Leblanc Dynamique Oboe has everything needed for the serious performer, rich sound, flawless intonation, and elegant key work.

The foundation of the Leblanc LOB711 Dynamique oboe is its commanding sound. The Dynamique features a pure Leblanc tone that is centered and consistent in all registers but remains flexible and colorful. This purity and flexibility allow the Dynamique to easily find a home across the spectrum of performance opportunities whether they be orchestral, chamber, or solo.

The fully automatic key system of the Leblanc Dynamique provides the full compliment of auxiliary and trill-fingering options needed to tackle the literature of any genre or style.
