

# LPC711E Professional Piccolo

With a history dating back to 1750, Leblanc has built a reputation for manufacturing some of the finest musical instruments in the world. Blending heritage with innovation, Leblanc continues to advance the art of flute manufacturing.

## Features

The LPC711E represents the pinnacle of professional design, with a hand-cut headjoint and body crafted entirely from seasoned Grenadilla wood and silver-plated keys hand-assembled to elite standards. It delivers exceptional projection, ease of articulation, and tonal richness for the most demanding performers.

Built from premium Grenadilla wood, the headjoint and body provide natural warmth, depth, and dynamic clarity. The headjoint responds with effortless ease, producing expressive, balanced tone across all registers. The conical bore and precisely engineered tone-hole layout ensure clean intonation and powerful projection.

Silver-plated keys are precisely calibrated for smooth, responsive action. Durable Pisoni pads guarantee a reliable seal and longevity. Ergonomic key placement and balanced keywork provide comfortable play during extended sessions. Every flute is fully play-tested and arrives ready to perform.

- Deep, resonant tone with rich wood character
- Effortless response and clear upper register
- Precision-balanced key action for fluid performance
- Ergonomic silver-plated keys for a comfortable feel
- Focused intonation and reliable pitch stability
