

LSS711 Professional Soprano Saxophone

With history dating back to 1750, Leblanc has been known for manufacturing some of the highest-quality musical instruments in the world. Combining tradition with innovation, Leblanc continues to advance saxophone manufacturing.

Features

The Leblanc LSS711 professional soprano saxophone marks the next generation of saxophones designed after the pro line of French saxophones. The LSS711 saxophone has rich, mature tonal complexity and features post to body construction from premium gold brass. The refined acoustics and mechanism, Pisoni Pro pads and one-piece, hand-hammered body set the LSS711 apart as a true leader in its class.

Meticulous hand craftsmanship of the Leblanc 711 soprano includes a proprietary 3-phase tone hole leveling process for precisely level tone holes for long-lasting pad seating and stability, balanced blue steel needle springs to create a light and fast key action fitting to the Leblanc brand, and tailored ergonomics to facilitate fast and demanding technical passages.

711 series saxophones are adorned with gorgeous hand engraving and include a premium, protective case with backpack straps and storage areas. Every Leblanc saxophone is professionally set up, play-tested, and adjusted to ensure each saxophone is received in optimal playing condition to help the saxophonist continue confidently in their musical journey.

- Refined acoustics
- Rich, resonant, projecting tone
