

Tenor Saxophone in B \flat LTS211

SKU: LTS211

Level: Student / 200

With history dating back to 1750, Leblanc has been known for manufacturing some of the highest quality musical instruments in the world. Combining tradition with innovation, Leblanc continues to advance saxophone manufacturing.

Designed from artisan French saxophones, the Leblanc LTS211 is carefully crafted with the beginning student in mind. The neck, tone hole system, and bore design provide superb intonation and ease of flexibility with a post to body construction to facilitate quick response while maintaining a trademark rich sound. And the keywork is spaced closely for ease of action, even with smaller hands.

With a range to high F#, the Leblanc tenor saxophone boasts power-forged single-arm keys and a tri-point bell brace to ensure consistent, reliable seating of the Pisoni leather pads. Carefully adjusted blue steel needle springs establish a light and fast key action fitting to the Leblanc brand. Meticulous craftsmanship and premium materials ensure long-lasting pad seating and stability.

Every Leblanc saxophone is professionally set up, play-tested, and adjusted to ensure each saxophone is received in optimal playing condition to help the budding saxophonist advance quickly as they start their musical journey.

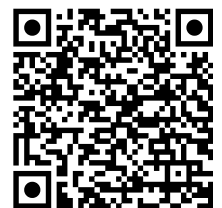

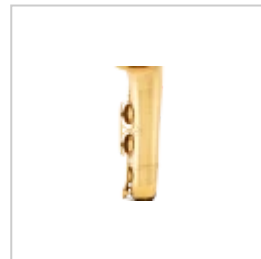

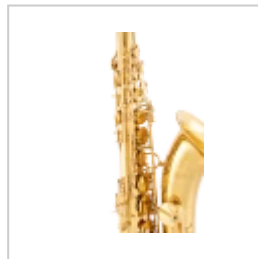

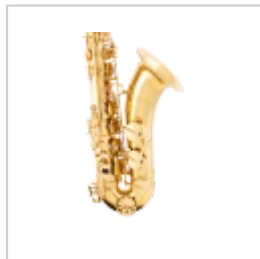

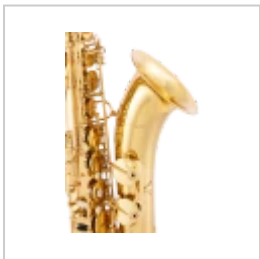

Features
