

# Ludwig®

## NEUSONIC

Ludwig's Neusonic series just got a bold new look and elevated sound! Introducing Super Sparkle wraps and Evans USA heads as standard options and features for Neusonic. Designed for drummers who demand professional Ludwig tone and eye-catching style, these new features add a new level of quality and brilliance to the USA-made Neusonic series. Whether in the studio or on stage, Neusonic now delivers both sonic power and visual impact like never before.
