

POCKET KIT

10 Years of First Songs, First Lessons, and Lifelong Beats.

A decade in, the Pocket Kit still does what it was designed to do: deliver an authentic drumming experience in a size that works for growing players. Now, as Pocket Kit celebrates its 10-year anniversary, we're marking the milestone the best way we know how: with brand-new finishes that bring a fresh vibe to the kit that started it all. These new finishes add a dynamic new layer of style for those first beats.

NEW FINISHES:

Crystal Blue Sparkle

Sugar Sparkle

Moon Dust
